* Note 1: No. of completed registrations of applications received at the MYLINE Center (does not include applications still being processed for registration).

* Note 2: The number of registrations in NTT Communications' local call and in-prefecture long-distance call (long-distance calls within the same prefecture) categories is included in other telephone companies' categories.

* Note 3: The percentages under Subtotal represent the percentage of registered customers accounted for by the NTT Group and other telephone companies, respectively.

* Note 4: Total represents the total number of registered customers.
(Numbers are rounded to the nearest thousand.)
